

RINGLING BROS. ^{AND} THE GREATEST SHOW ON EARTH BARNUM & BAILEY

Match Game

Match each animal on this page to a picture of its mouth, nose and ear. Write the first letter of the animal in the correct boxes.

Horses have great eyesight. Their smell and hearing are superior to a human's.

Dogs have an excellent sense of smell. They have over 200 million cells that sense scents! We only have about 5 million.

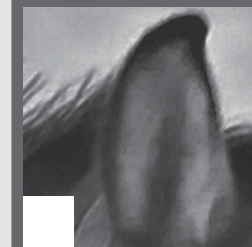

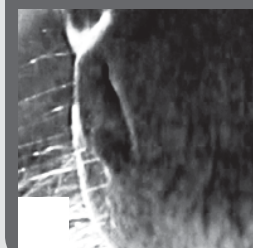

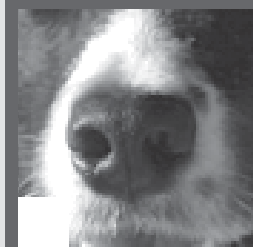

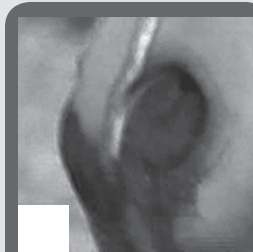

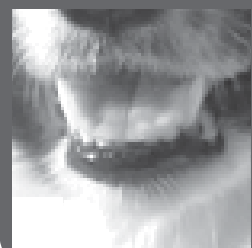

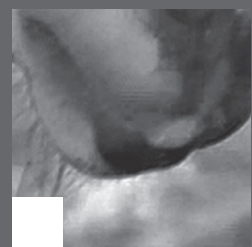

Zebras have good hearing. They also have great eyesight. Their night vision is as good as an owl's.

Mouth

Nose

Ear

Answers: Mouth: zebra, horse, dog; Nose: horse, dog; Ear: zebra, horse, dog

Find a large photo you like in your newspaper. Cut it out and paste it onto thin cardboard. Cut it into 6-8 large puzzle pieces. Then, challenge someone in your family to put it back together!
